

Loot Homes At Arsenal

At the expense of three families at the Joliet arsenal, somebody should be ready to set up housekeeping in style.

Officials of the arsenal reported to the sheriff's office this morning that three of the homes on the reservation had been entered either Oct. 19 or Oct. 20. The Security branch of the arsenal made a thorough investigation of the matter, the report revealed.

Such items as gasoline stoves, tables, linoleum, brooms, dishes, silverware, skillets, towels, canned goods, radios, blankets were taken.
